

SAGA Parent Information

One of the ways the SAGA school works to keep tuition prices reasonable is to enlist the help of parent volunteers. Families are asked to volunteer 15 hours/ year through a means of various tasks assigned by teachers and administrators (those who chose, may pay for their hours at \$25/hour). Many parents come from professional backgrounds that meet the needs of the SAGA school. For example, there might be a need to redesign the classroom space and a parent is an architect or designer and would be willing to help. Please fill out this Parent Information Form so that we can help connect you with SAGA school needs. Enrollment in the SAGA school is not based on parent occupation or background.

Volunteer Requirements:

Families are required to complete 15 volunteer hours per family annually. There are a variety of opportunities to complete these hours both at the school and at home. Volunteer hours assist us in offering a quality program and help to keep the tuition costs low. Additional hours are always welcomed! Families may choose to pay for their hours at \$25 per hour.

Withdrawal /Dismissal:

Enrollment is for the entire school year. A 30-day written notice to the Board of Directors is required when a parent is withdrawing a student during the school year. The tuition deposit is non-refundable. If a 30-day written notice is not given, the entire remaining tuition will be required. SAGA School cannot financially accommodate withdrawals after March 1 except in cases of medical or family emergencies. For any withdrawal after March 1, the entire year's tuition is due prior to the student's last day.

Tuition Payments:

The tuition deposit is considered your September payment and regular tuition payments begin in October 2010. Regular tuition payments are due the 5th of every month. Tuition is based on annual costs per child and is paid in 10 monthly installments from September - June regardless of when holidays, absences and vacations occur. No refunds are offered for missed days.
